AC Arts&Crafts ovvero la creatività italiana unita all'esperienza trentennale nel settore. E' un team di architetti designers ed esperti di produzione che si occupano di progettazione e realizzazione di stand fieristici, eventi temporanei, visual design, interior design e soluzioni architettoniche, sia in Italia che all'estero.

La nostra missione è "pensare soluzioni" e tradurle attraverso il design, la ricerca di nuovi materiali, di nuove tecnologie e la cura nei dettagli. AC Arts&Crafts offre un servizio integrato che accompagna il cliente dall'ideazione fino alla realizzazione, con l'intento di esprimere al meglio le esigenze commerciali di ogni singola azienda e rendere ogni evento "unico" ed originale, garantendo un business di successo.

AC Arts&Crafts the Italian creativity combined to thirty years experience in the field.

Team of architects, designers and production experts who work with project and construction of exhibition stands, temporary events, visual design, interior design and architectural solutions, both in Italy and abroad.

Our mission is to "think of solutions" and translate them through design, research of new materials, new technologies with attention to details. AC Arts&Crafts offers an integrated service that takes the customer from concept to implementation, with the aim to make the most of business needs of each company and make every event "unique" and original for a successful business.
